Caution

It is the responsibility of the installation company and end user to comply with state and federal privacy laws regarding the use of audio surveillance equipment. If you are unfamiliar with these laws, consult a qualified attorney. In most cases, posting the provided warning label in plain view is all that is required.

RM1-LE Surface Mount Microphone

Installer friendly, self-contained surface mount microphone for direct mounting on all types of materials – brick, concrete, etc. Omni-direction electret element.

- Low noise MOSFET pre-amplifier.
- Adjustable gain.
- Line level unbalanced output.
- Limiter circuit selectable on/off.
- Easy cable run termination.
- Power: 12V DC @ 10mA.

RM1-C Remote Element Microphone

Omni-directional pre-amplified microphone for use in special applications or to shorten the distance between the subject and microphone (hang microphone from ceiling).

- Low noise MOSFET pre-amplifier.
- Adjustable gain.
- Line level unbalanced output.
- Limiter circuit selectable on/off.
- Easy cable run termination.
- Power: 12V DC @ 10mA.

RM1-TR Tamper Resistant Microphone

Tamper resistant Omni-directional pre-amplified microphone for use in applications where vandalism is of concern. Applications include detention facilities, public locations, etc. Mounts directly to single gang box.

- Low noise MOSFET pre-amplifier.
- Adjustable gain.
- Line level unbalanced output.
- Limiter circuit selectable on/off.
- Easy cable run termination.
- Power: 12V DC @ 10mA.

**Directly Mounts to
Single Gang Box**
